# JAPAN & SOUTH KOREA

APRIL 02-15, 2024

Dear Friends,

One of the most beautiful sights in Asia during the springtime is the Cherry Blossoms. Cherry blossoms are indigenous to many East Asian countries, including Japan.

This CME Tour to Japan with an OPTIONAL Extension Tour to South Korea from April 02- 15, 2024 offers you the best opportunity to have a detailed expedition to Japan when the cherry blossoms are in full bloom.

We will give you a sampling of all Japan has to offer, including unique locales, "must-see" tourist attractions, colorful cultural traditions, and delectable dining.

In Japan, you will have the opportunity to visit Tokyo, Osaka, Kyoto, Mt Fujiyama & Hiroshima. Experience a traditional green tea ceremony, interact, and take photos with an apprentice geisha (maiko), watch a kimono fashion show, ride a bullet train in Japan, and a possibility to see Sumo Wrestlers training, among many other amazing activities!

On your OPTIONAL extension tour to South Korea from April 10-15, 2024, you will have a chance to stroll through the awe-inspiring Bulguska Temple, visit the DMZ (North & South Korea's Demilitarized Zone), see the 3rd Tunnel, ride a bullet train in South Korea, enjoy folklore shows, Seoul city, Busan, Gyeongju temples with exclusive access to gardens, temples, shrines, castles, museums, and specialty shops.

You will have a one-of-a-kind experience with everything included once in Japan and South Korea, and a chance to see why these countries are popular tourist destinations. I will be personally supervising the overall operations with our Tour Management Team of Pollina Tours and their local agents.

We will leave no stone unturned to ensure our AAPI Physicians and their family and friends will have the most memorable, comfortable, and fun-filled holiday with **up to 10 hours of CME Credits** in Japan and South Korea.

**Please Register Today! Space Is Limited!**

Looking forward to welcoming you all on this exciting trip to the two gems of Asia – Japan and South Korea.

## AIRLINE GROUP BOOKING & SEAT ASSIGNMENTS:

POLLINA TOURS makes the booking with the Group Department of the airline, which means all the group members must travel together to and from a common gateway, as one Group. The Group tickets are lower fare tickets and carry restrictions. The tickets are nonrefundable, non-transferable, non-reroutable, and non-endorsable. Policies governing seat assignments for groups vary greatly by airline. Most airlines currently offer preferred seating, a system that allows them to charge additional fees for more desirable seats, which may include window and aisle seats. As a result, many seats displayed on airline seat maps are set aside for clients willing to pay additional fees for them. Some seats may only be accessible at airport check-in, although sometimes passengers with frequent flyer status may have earlier access. Seat assignment preferences are not guaranteed by Pollina Tours. Airline reservation agents are often prohibited from assisting with seat requests for group reservations.

## GROUP HOTEL / CRUISE BOOKING

POLLINA TOURS makes the booking of the hotel/cruise in the specified hotel/cruise in "Standard" twin-bedded (two single beds) rooms or "Standard" double bedded (one double bed) room with private facilities, unless you have specifically requested and paid for an upgraded room category. Special requests, such as bed types, smoking preferences, and connecting rooms are subject to availability.

Room selection in all cases, unless otherwise reserved, is strictly at the discretion of the hotel's management on a run-of-house basis.
