The Group tickets are lower fare tickets and carry restrictions. The tickets are nonrefundable, non-transferrable, non-re-routable, and non-endorsable. Policies governing seat assignments for groups vary greatly by airline. Most airlines currently offer preferred seating, a system which allows them to charge additional fees for more desirable seats, which may include window and aisle seats. Some seats may only be accessible at airport check-in, although sometimes passengers with frequent flyer status may have earlier access. Seat assignments preferences are not guaranteed by Pollina Tours. Airline reservation agents are often prohibited from assisting with seat requests for group reservations.
